

SHELTER

By the hat wearing Hattie and the lovely Lilith

HOMELESS PEOPLE

Many people are homeless. There are over 150 million homeless people around the world! We need to act now.

Homeless people can die from exposure.

All around the globe people are suffering.

We need to show compassion for the homeless.

School sleepover

As you may know we are having a school sleepover very soon.

Don't worry- we are doing it in the hall for everyone's safety. There will be not many people coming because we don't have enough space . School council get priority because we organized it.

Dates

The school sleepover will be held on the seventh of June.

People coming will be given a sponsorship form

They will need to get people to sign it to help raise money for the charity.

HOW HOMELESS PEOPLE LIVE.

Lots of homeless people have to live on the street with very little warmth and food.

Over 1,300 homeless people die every year in the UK. London has the most homeless people in the UK. Japan has no homeless people 0% of people are homeless in Japan .

Talk to partner

Talk to your partner for 10 second about how you could help the homeless.

Anyone has any ideas?

10

How we can help.

You could help by giving to charities that help the homeless.

You could give the homeless person some food or water.

You could give them an item of clothing
or just something to keep them warm.

Did you know!

The average age of
a homeless person
is 32 years old!

People living in poverty
Are more at risk.

prayer

Dear God,

Please help us to have compassion for others who need are help and have empathy for everyone around us .

Amen.

Thank you

Thank you for watching our assembly.
