

HI AND WELCOME TO OUR SKAMAZING ASSEMBLY

A large crowd of people is gathered for an outdoor assembly. In the background, a boat is positioned on a raised platform or stage. The scene is captured from a low angle, looking up at the crowd and the stage.

WELCOME

OUR VALUES FOR THIS ASSEMBLY ARE
COURAGE, PERSEVERANCE, SPORTSMANSHIP

Brownlee bros

Jonny Brownlee was in the last 800 metres when he collapsed to the barriers in extreme pain. His bro Alistair was in third position, but seeing his bro in that condition he decided to turn back and help his bro. The most remarkable part of this story is how Alistair could have come second but instead chucked his bro Jonny over the finish line leaving his bro second place. The Brownlee bro showed incredible courage in this triathlon.

JESSE OWENS & LUZ LONG

Jesse Owens and Luz Long were competing in a long jump competition together. It was the time of the war and Luz Long was German & not many people were happy with them because Adolf Hitler was making it look like the Germans were the best. Jesse had made two faults and had to do well in his last jump to get through to the finals. Luz, on the other hand, was doing very well. The incredible part of this story is when Long helped Owens by telling him to adjust his position. Jesse went on to win. Luz & Jesse showed remarkable sportsmanship even in difficult

Look at this word and think in your BRAIN what it means to you. Have another think about the Brownlee brothers- how did Alastair show compassion?

COMPASSION

Prayer time...

Dear Lord

Help us to give compassion even when it's hardest too, and to show great sportsmanship like the people we've talked about today.

Amen
