- ☐ Ensure staff have adequate training on matters such as: how certain special educational needs, disabilities or mental health needs may at times affect a pupil's behaviour.
- ☐ Encourage engagement with experts e.g. educational psychologists, advisory teachers and mental health support teams to inform effective implementation and design of behaviour policies and this links to the whole school approach to mental health and wellbeing.

7 Promoting high expectations of good behaviour

- 7.1 Pupils are educated about good behaviour through the operation of the school's curriculum, PSHE, [• relationships education / relationships and sex education] programmes and the School's pastoral support systems. Pupils are encouraged to act responsibly and, through the operation of this policy, to accept responsibility for their behaviour. This includes teaching pupils explicitly what good behaviour looks like (for example, through the teaching of good habits and routines). Illustrative of the ways in which the School teaches the behaviour curriculum are set out in Appendix 1. This will also include induction to school systems and routines on joining the School and re-induction after removal from the classroom, time spent at off-site provision or in Pupil Support Units and following suspension.
- 7.2 The School understands that rewards can be more effective than punishment in motivating pupils. The ways in which the School may reward good behaviour are set out in Appendix 3.
- 7.3 The School recognises that where challenging behaviour is related to a pupil's disability, use of positive discipline and reward methods may enable the School to manage the pupil's behaviour more effectively and improve their educational outcomes.
- 7.4 Where appropriate, staff should also take account of any contributing factors that are identified after a behaviour incident has occurred e.g. if the pupil has suffered a bereavement, experienced abuse or neglect, has mental health needs, has been subject to bullying, has needs including SEND (including any not previously identified), takes account of their age where they might not have comprehended their actions, has been subject to criminal exploitation, or is experiencing significant challenges at home .

8 Responding to unacceptable behaviour

- 8.1 When a member of school staff becomes aware of misbehaviour, they should respond in a consistent, fair, proportionate and timely manner in accordance with this policy.

- 8.2 The first priority will be to ensure the safety of pupils and de-escalation techniques can be used to prevent further behaviour issues arising.
- 8.3 The school recognises that taking disciplinary action and providing appropriate support are not mutually exclusive actions. They can and should be used at the same time if necessary.

9 **Minor breaches of discipline**

- 9.1 The school adopts a culture of openness and transparency and, where there are any concerns regarding breaches of discipline, contact should be made with the school at the earliest opportunity. All concerns are taken seriously including scenarios where suspicions or breaches of discipline appear minor.
- 9.2 The school has a range of systems, including pastoral support, to assist pupils in managing their behaviour. A range of sanctions are available for those who breach the school's policies on behaviour.
- 9.3 The decision to issue a sanction and the sanction itself must be made on the school's premises or whilst the pupil is under the charge of the relevant member of staff.
- 9.4 Allegations, complaints or rumours of minor breaches of discipline are dealt with by staff as they occur. Staff may carry out informal investigations and / or interviews with the pupils involved. Low level sanctions may be given following such processes (see [Appendix 3](#) for details of possible sanctions).
- 9.5 A minor breach of discipline may be referred to a senior member of staff and external agencies (where appropriate) prior to, during or following an informal investigation.
- 9.6 When considering the appropriate sanction, the risks posed to pupil welfare by an individual's behaviour will be assessed. This may include consideration of how any action taken, sanctions applied or inaction may affect that individual's welfare and, where appropriate, how it may affect other pupils' welfare and / or the school's community as a whole.

10 **Serious and / or persistent breaches of discipline**

- 10.1 Allegations, complaints or rumours of serious and / or persistent breaches of discipline should be referred to the headteacher. This will always though be considered alongside 7.4 of this policy.
- 10.2 The decision to issue a sanction and the sanction itself must be made on the school's premises or whilst the pupil is under the charge of the relevant member of staff.
- 10.3 The main categories of misconduct which are likely to be considered to be serious breaches of discipline include, but are not limited to:
- ☒ physical violence and / or abuse (which may include but is not limited to hitting, kicking, shaking, biting and hair pulling)
 - ☒ physical or emotional abuse or harassment (to include behaviour that may be categorised as "banter", "just having a laugh", "part of growing up" or "boys being boys");
 - ☒ behaviour which may constitute a criminal offence, such as:
 - (a) possession or use of knives or other weapons;
 - (b) vandalism, defacement and / or destruction of school property;

- ☒ persistent breaches of discipline or attitudes or behaviour which are inconsistent with the School's ethos;
 - ☒ actual or attempted theft, intimidation, cyber-based bullying or prejudice based bullying, discriminatory based bullying or other potentially criminal offences;
 - ☒ behaviour in contravention of the School's policies on the acceptable use of technologies or online safety;
 - ☒ activities involving harassment, abuse or humiliation used as a way of initiating a person into a group);
 - ☒ sexual violence, sexual harassment and other harmful / inappropriate sexual behaviour;
 - ☒ sharing of indecent images and / or videos (including digitally manipulated or AI-generated images);
 - ☒ other misconduct which affects the welfare of a member or members of the school's community or which brings the school into disrepute (single or repeated episodes) on or off the school's premises; and
- 10.4 The school aims to operate within the principles of fairness and natural justice. A decision to exclude a pupil permanently will only be taken:
- ☒ in response to a serious breach and / or persistent breaches of the school's Behaviour policy; and
 - ☒ where allowing the pupil to remain in school would seriously harm the education and / or welfare of the pupil and / or others such as staff or pupils in the school.
- 10.5 An allegation, complaint or rumour of a serious breach of discipline will be investigated in accordance with the procedures set out in [Appendix 4](#).
- 10.6 Complainants will be taken seriously and the school will carefully discharge its duty of care to both complainants and those pupil(s) accused. Reporting concerns is encouraged by the school. A complainant is not creating a problem by reporting an allegation, complaint or rumour and should not feel ashamed or embarrassed for making a report.
- 10.7 If the findings of the investigation, on the balance of probabilities, support the allegation, complaint or rumour of a serious breach of discipline, a disciplinary meeting may be held in accordance with the procedures set out in [Appendix 4](#).
- 10.8 [Appendix 3](#) Appendix 1 sets out a non-exhaustive list of possible sanctions which may be imposed for serious and / or persistent breaches of discipline / this policy.
- 11 Suspected criminal behaviour**
- 11.1 Before investigating a behaviour incident, the school will consider whether a criminal offence may have been committed and should be reported to the Police.
- 11.2 The school will carry out the minimum investigation required to be able to establish this, and before making a decision, will consider its duty to safeguard the pupils of the school (including any victims or alleged perpetrators) by assessing and balancing the risk of reporting the matter to the Police on the mental health and wellbeing of the pupil and others, as well as the risk of not making a report to the Police.
- 11.3 Where a report is made to the Police, the school will not act in a way which could prejudice a criminal investigation, or tip off anyone who may be involved. The school will keep in mind

that any records created (including witness statements) may be requested by the Police, Crown Prosecution or Defence Solicitors for use within criminal proceedings, with disclosure to other parties.

11.4 Depending on the individual circumstances of the case, and usually having liaised with the Police, the school may decide to continue its investigation and impose sanctions.

11.5 The school will follow its Safeguarding and child protection policy and procedures at all times, and when making a report to the Police it may also be appropriate to make a report to Children's Social Care Services, usually led by the DSL.

12 **Removal from the classroom**

12.1 This section must be read alongside Appendix 2 below.

12.2 The school will only remove a pupil from the classroom for serious or repeated breaches of the schools behaviour code. Removal from the classroom is different to the use of separate spaces (for example, sensory / nurture rooms used for non-disciplinary reasons to meet a pupil's needs).

12.3 Removal from the classroom will only happen for the following reasons:

- ☐ to maintain the safety of all pupils and to restore stability following an unreasonably high level of disruption;
- ☐ to enable disruptive pupils to be taken to a place where education can be continued in a managed environment; and
- ☐ to allow the pupil to regain calm in a safe space.

12.4 The school will consider whether removal from the classroom is proportionate and will take into account the circumstances of each individual case, with parents being notified on the day.

12.5 The school will provide any pupil who is removed from the classroom continuous meaningful education during any period of removal.

12.6 The headteacher will maintain overall strategic oversight of the use of removal from the classroom.

13 **Intervention, support and reintegration**

13.1 The school will, as far as practicable, adopt a range of initial intervention strategies to help pupils manage their behaviour and reduce the likelihood of suspension and permanent exclusion. The school has a system in place to ensure leaders are aware of pupils whose behaviour is a cause for concern.

13.2 The range of intervention strategies that the School will put in place include as appropriate, include for example, but are not limited to:

- ☐ frequent and open engagement with parents, including home visits if deemed necessary;
- ☐ providing mentoring and coaching;
- ☐ short-term behaviour report cards or longer-term behaviour plans;
- ☐ Alternative Provision units; and

- ☒ engaging with local partners and agencies to address specific challenges such as poor anger management, a lack of resilience and difficulties with peer relationships and social skills.]

13.3 Where the school has serious concerns about a pupil's behaviour it will consider appropriate interventions, including but not limited to, whether an assessment of a pupil's SEND is appropriate; where a pupil has an Education, Care and Health Plan, whether an emergency review is appropriate and / or whether a multi-agency assessment is appropriate.

13.4 Following a sanction, the school will consider appropriate strategies to help the pupil(s) involved understand how to improve their behaviour and meet the behaviour expectations of the school. As far as reasonably practicable, this support will be delivered by appropriately trained designated staff.

13.5 The school will consider and apply appropriate strategies for the reintegration of a pupil following removal from the classroom, time at a Pupil Support Unit, time at an alternative site under an off-site direction or suspension.

14 **The role of Parents**

14.1 The school seeks to work in partnership with parents over matters of discipline and helping schools develop and maintain good behaviour, and it is part of the parents' obligations to the school to support the school's policies on behaviour.

14.2 The school recognises that communicating the school policy to all members of the school community, including parents, is an important way of building and maintaining the school's culture.

14.3 Where a parent has a concern about the management of behaviour, they should raise this directly with the school whilst continuing to work in partnership with them.

14.4 Parents will normally be informed as soon as reasonably practicable of any suspicion that their child has been involved in serious misconduct, but may be prevented from doing so immediately e.g. by the police if they are involved.

14.5 Parents will be notified of disciplinary sanctions :

- ☒ imposed for significant minor breaches of discipline (persistent minor breaches such as repeated disruptive behaviour); and

- ☒ those imposed for serious breaches of discipline and any rights of review

as required and / or within school reports.

14.6 Parents will be consulted about the child's conduct and the application of this policy to their child where the school considers, in its professional judgement, that these give rise to a significant concern about pupil welfare.

14.7 Whenever the headteacher excludes a pupil they must, without delay, notify parents of the period of the exclusion and the reason(s) for it, in accordance with section 51A Education Act 2002 and the statutory Suspension and Permanent Exclusion Guidance.

15 **The role of pupils**

15.1 Every pupil will be made aware of the school behaviour standards, expectations, pastoral support and the school's approach to a failure to meet required standards consequence

processes. Pupils will be taught they have a duty to follow the school behaviour policy and uphold the school rules and should contribute to the school culture.

- 15.2 Pupils should be asked about their experience of behaviour and asked to provide feedback on the school's behaviour culture. Every pupil will be supported to achieve the behaviour standards, including an induction process that familiarise them with the school behaviour culture.

16 Additional needs

- 16.1 Where the school has concerns about the behaviour, or risk of exclusion, of a child with additional needs, a pupil with an EHC plan or a looked after child, it should, in partnership with others (including the local authority where required), consider what additional support or alternative provision may be required. This should involve assessing the suitability of provision for a pupil's SEN or disability. Where a pupil has an EHC plan, the school should consider requesting an early annual review or interim / emergency review.
- 16.2 The school will, as far as possible, to anticipate likely triggers of misbehaviour and put in place support to prevent these. Any preventative measure should take into account the specific circumstances and requirements of the pupil concerned.
- 16.3 The headteacher and proprietor must comply with their statutory duties in relation to SEN and disability and the Equality Act when administering the exclusion process. This includes having regard to the SEND Code of Practice.
- 16.4 Whilst an exclusion may still be an appropriate sanction, the headteacher should take account of any contributing factors that are identified after an incident of poor behaviour has occurred. For example, where it comes to light that the pupil has suffered bereavement, has mental health issues or has been subject to bullying.
- 16.5 In respect of a pupil with a disability as defined by the Equality Act 2010, the school will make such adjustments to this policy and its implementation as it is reasonable to have to make to avoid substantial disadvantage to pupil. In making such adjustments and considering the action to be taken under this policy (as adjusted), the school will have regard to the following:
- ☐ whether reasonable steps have been taken to understand and address the pupil's educational and or other needs or vulnerabilities;
 - ☐ whether all reasonable adjustments have been made to try to manage the behaviour(s) which are under consideration;
 - ☐ whether in the light of conclusions reached in respect of 0.0☐ and 0.0☐, the action to be taken under this policy is a proportionate means of achieving one or more of the School's legitimate aims, which include:
 - (a) ensuring that education, benefits, facilities and services are targeted at those who most need them
 - (b) the fair exercise of powers
 - (c) ensuring the health and safety of pupils and staff, in light of clearly identified risks (with due attention to the potential need to refer concerns arising externally as required under the School's [• safeguarding and child protection policy and procedures])
 - (d) maintaining academic and behaviour standards; and

(e) ensuring the well-being and dignity of pupils.

- 16.6 If there is a concern that a pupil's behaviour is as a result of unmet educational or other needs, advice should be sought from the headteacher / SENCO and further action in accordance with the school's Special educational needs and disability policy will be considered.
- 16.7 Where a suspension or permanent exclusion is being considered, the school will ensure that a pupil with a disability or special educational needs is able to present their case fully where their disability or special educational needs might hinder this.

17 **Safeguarding and child-on-child abuse**

- 17.1 Some behaviour by a pupil towards another may be of such a nature that safeguarding concerns are raised. The school will adopt a zero-tolerance approach to abuse in order to prevent harm to pupils. Safeguarding issues can manifest themselves via child-on-child abuse. This includes, but is not limited to:
- ☐ bullying (including cyber-bullying prejudiced-based and discriminatory-based bullying);
 - ☐ physical abuse such as hitting, kicking, shaking, biting, hair pulling, or otherwise causing physical harm (which may include an online element which facilitates, threatens and / or encourages physical abuse);
 - ☐ initiation / hazing type violence and rituals (which may include activities involving harassment, abuse or humiliation used as a way of initiating a person into a group and may also include an online element).
- 17.2 Child-on-child abuse can occur both inside and outside of the school and may be taking place whilst not being reported. A one size fits all approach is not appropriate for all pupils, and a contextualised approach for more vulnerable pupils, victims of abuse and pupils with special educational needs and disabilities may be required. Certain behaviours, for example dismissing sexual harassment as "just banter", "just having a laugh", "part of growing up" or "boys being boys" can lead to a culture of unacceptable behaviours and create an unsafe environment for pupils. In worst case scenarios, dismissing sexual harassment can lead to a culture that normalises abuse and pupils accepting it as normal and not coming forward to report it.
- 17.3 Technology is a significant component in many safeguarding and wellbeing issues. Pupils are at risk of abuse online as well as face to face. This can take the form of abusive, harassing, and misogynistic messages, the non-consensual sharing of indecent images, especially around chat groups, and the sharing of abusive images and pornography.
- 17.4 In line with the school's aims and culture of openness and encouragement to report, the school's policy and procedures with regard to child-on-child abuse are set out in the school's Safeguarding and child protection policy and procedures. If behaviour matters give rise to a safeguarding concern, either in relation to the alleged victim(s) or perpetrator(s) or, more widely, in relation to ensuring the safety and welfare of pupils and / or staff, the DSL (or a deputy) should take a leading role in decision making and the procedures in the Safeguarding and child protection policy and procedures will take priority.

18 **Malicious allegations**

- 18.1 Where a pupil makes an allegation which is determined to be unsubstantiated, unfounded, false or malicious, the DSL will consider whether the pupil is in need of help or may have been abused by someone else and this is a cry for help. A referral to external agencies may

be appropriate in these circumstances. The headteacher will also consider whether to take disciplinary action against the pupil in accordance with this policy.

18.2 Where such an allegation is made, appropriate support will be provided to the member(s) of staff affected.

18.3 The school will consider a malicious allegation to be one where there is sufficient evidence on the balance of probabilities to disprove the allegation and that, by the same test there is sufficient evidence that there has been a deliberate act to deceive.

19 **Use of reasonable force**

19.1 Any use of force by staff will be reasonable, proportionate and lawful. Reasonable force will be used as set out in Appendix 5 and the school's safeguarding and child protection policy. More detailed guidance about the use of reasonable force is provided to staff in the Staff code of conduct.

20 **Searching pupils**

20.1 School staff may search a pupil and their possessions for any item if the parent agrees. The member of staff must ensure the parent understands the reasons for the search and how it will be conducted, so that their agreement is informed. Appropriate consideration will be given to the age and needs of pupils being searched.

20.2 The school will always follow its safeguarding and child protection policy and procedures if a safeguarding concern arising as a result of any actions connected with a search of a pupil.

20.3 If a pupil is not willing to co-operate with the search, the school will consider why this is. If a search is necessary but not required urgently, the staff member will seek advice from the DSL or headteacher.

20.4 If a pupil refuses to co-operate with a search, the headteacher and staff authorised by the headteacher, may use reasonable force to search a pupils' possessions where they have reasonable grounds for suspecting that a pupil has an item prohibited by law in their possession (see Appendix 5 for further details in this respect). Reasonable force cannot be used to search for items that are banned by the school.

20.5 If a pupil continues to refuse to co-operate, they may be sanctioned in line with the school's behaviour policy where this appropriate, in a consistent, fair and proportionate way.

21 **Staff training**

21.1 The school ensures that regular guidance and training is arranged on induction and at regular intervals thereafter so that staff and volunteers understand what is expected of them by this policy and have the necessary knowledge and skills to carry out their roles. This includes:

- ☐ how staff can support pupils in meeting high standards of behaviour
- ☐ how staff will ensure that pupils understand the expectations of the behaviour in the school.
- ☐ how staff can ensure that this policy and sanctions is applied in a way that is consistent, fair, proportionate and predictable way
- ☐ where applicable to reflect the need of particular pupils, [including training in trauma and SEND](#)

21.2 The level and frequency of training depends on the role of the individual member of staff.

21.3 The school maintains written records of all staff training.

22 Risk assessment

22.1 Where a concern about a pupil's welfare is identified, the risks to that pupil's welfare will be assessed and appropriate action will be taken to reduce the risks identified.

22.2 The format of risk assessment may vary and may be included as part of the school's overall response to a welfare issue, including the use of individual pupil welfare plans (including Education, Health and Care Plans, behaviour plans, as appropriate). Regardless of the form used, the school's approach to promoting pupil welfare will be systematic and pupil focused.

22.3 The headteacher has overall responsibility for ensuring that matters which affect pupil welfare are adequately risk assessed and for ensuring that the relevant findings are implemented, monitored and evaluated as required.

22.4 Day to day responsibility to carry out risk assessments under this policy will be undertaken by the headteacher.

23 Record keeping

23.1 All records created in accordance with this policy are managed in accordance with school policies that apply to the retention and destruction of records.

23.2 the school will establish and maintain a strong and effective system for data recording including all parts of behaviour culture that is collected from a range of sources and that is regularly objectively analysed and monitored by the senior leadership team.

23.3 The school will keep a separate record for:

☐ allegations and concerns reported in respect of:

(a) sexual harassment or sexual violence;

(b) bullying, discriminatory and prejudiced behaviour, either directly or indirectly, including racist, sexist, disability and homophobic / biphobic / transphobic bullying, use of derogatory language and racist incidents.

23.4 The school will keep a record of any search by a member of staff for a "prohibited item" and all searches conducted by police officers. This will be recorded in the school's safeguarding reporting system.

23.5 The school will keep a separate record of sanctions imposed for serious misbehaviour. The record will include:

☐ the name and year group of the pupil concerned;

☐ the nature and date of the offence;

☐ the sanction imposed and reason for it; and

☐ the name of the person imposing the sanction

23.6 This record will be reviewed regularly by the headteacher so that patterns in behaviour can be identified and managed appropriately. This will also help if / when responding to any complaints about the way a case has been handled by the school.

- 23.7 This record will be review by the Proprietor /Local Governing Board will in order to evaluate all data recorded in order to meet their obligations under this policy and, in particular, establish any trends (for example, in respect of particular socio-economical groups, or groups with a protected characteristic).
- 23.8 The records created in accordance with this policy may contain personal data. The school's use of this personal data will be in accordance with data protection law. The school has published on its website privacy notices which explain how the school will use personal data.

Appendix 1 Minchinhampton behaviour expectations and routines

Minchinhampton C of E Primary Academy is committed to creating an environment where exemplary behaviour, attitudes and relationships enable all to feel safe and respected and all to learn together. Adults and children alike are expected to maintain high standards of personal conduct, to accept responsibility for their actions and encourage others to do the same.

1 Core attitudes.

We look to achieve our vision through demonstration of the following attitudes. At the heart of these attitudes lie the school's core values- humility, courage, compassion, forgiveness, thankfulness and responsibility. We look to:-

Have Compassion
Be Curious
Always Persevere
Try Forgiveness
Take Responsibility
Be Courageous
Feel Grateful
Show Humility
Look for Friendship
Challenge Yourself
Have Faith
Don't Compare

2 Attitude to learning in the classroom

School is all about learning so naturally we want to encourage a deep respect for learning. This includes encouraging pupils in attitudes that will support their learning as well as attitudes that will allow others to get the most out of their learning. We constantly look to encourage a positive, aspirational attitude; to all of us showing curiosity, perseverance, responsibility, courage, gratitude. We look to challenge ourselves and avoid making comparisons.

We value mistakes as an opportunity to learn. We see behaviour itself as communication and an opportunity to learn.

To help enable a positive attitude to learning, adults will:-

- clearly set expectations
- be consistent in the language they use.
- be deliberately and relentlessly bothered by good attitudes to learning
- use positive recognition.

3 The 4P's

Adults will use the 4Ps to frame conversations regarding attitudes to learning: -
Participation -Pride -Paying attention -Perseverance

Children will be expected to:-

- Participate: during whole class work- they will be expected to sit and listen attentively on the carpet and/or at their tables and – facing the speaker and looking their way. If seating layout means pupils are facing away from the speaker during whole class work, they should move their chairs back and away from the table and turn them to face them.

All equipment and other fiddly items should be put down when asked.

- **Participate:** Adults will make reference to the acronym SHELL when encouraging good listening (pay attention). SHELL stands for: Sit.....Hands.....Eyes.....Listen.....Learn
- **Pay attention:** during whole class work, to not call out or talk over someone else while they are talking.
- **Participate:** while working on tasks, pupils should never call out to the class teacher if they need them. They should always put their hand up.
- **Participate:** work in a way that values everyone's learning: to work quietly (using voices that can be heard) when working collaboratively; to work quietly when working independently. When pupils are, for example, writing independently, they should work in silence. If they need to talk to each other, they need to use voices that can't be heard beyond that table.
- **Perseverance:** in all their work, to concentrate on the task in hand and
- **Pride:** produce work to the best of their ability
- **Perseverance:** in all their work, pupils in Year 3 upwards should not leave their seats without permission. If they feel they need help, they should make use of the 5Bs (Brain, Buddy, Book, Board, Boss) and continue to persevere with their learning until the teacher comes to them.

4 **Attitudes beyond the classroom**

Beyond the classroom, we expect pupils to maintain the same high standards of behaviour, especially in their attitude towards others. We constantly look to everyone showing humility, taking responsibility, having compassion, trying forgiveness and making friends.

5 **In school** children will be expected to

walk quietly through the building- including the water garden and including before and after school. When walking as a class, to walk in single file.

be courteous as they walk through the building- for example

stand aside for others/ holding a door open for others.

sit still and face the front, without talking, during assemblies including walking quietly in and out and sitting quietly while they wait for other classes.

work quietly in shared areas

respect other people's property including school property and resources.

6 **In the playground**, children will be expected to:-

play on the playground if it is a 'grey' day for their class

maintain a tidy welly area, including when changing boots and shoes

not climb any walls

not climb any trees

only dig on the mound by the wild area- never in the middle of fields/ on banks by the MUGA/ to never dig the grit on the running track or the sand in the sandpit/ *to stay out of the sandpit

only throw balls outside.

only play with moulded plastic balls (no leather balls to be used in crowded playgrounds).

follow the rules on the tyres which include no pushing games.

ask an adult to collect a ball if it has gone over a fence.

not to play-fight- including any physical contact which might be deemed as play fighting.

not to play bulldog or rugby or football matches unless directly supervised by an adult.

not dig or hide along the bank above the top playground.

not to play at skidding, even if the playground is slippery

play with scrap responsibly

respect wildlife, including gardens, trees, plants and habitats •to treat resources with respect and look after them.

stop and be quiet when they hear the first bell/whistle. To walk to their lines quietly, quickly and sensibly when they hear the second bell/whistle.

listen to and follow instructions the first time

play in a way that will not endanger or upset someone else.

play in a way that does not interrupt or undermine other people's games.

be inclusive when playing games

notice people who are left out and support them

try to resolve conflicts when they arise

try to forgive others and give them a second chance

Appendix 2 Removal from the classroom

7 Removal of a pupil from the classroom is a formal sanction imposed for serious disciplinary reasons, which allows for the continuation of the pupil's education in a supervised setting. The education provided may differ from that provided in the mainstream classroom but will still be meaningful for the pupil.

8 Removal from the classroom will only be used for the following reasons:

to maintain the safety of all pupils and to restore stability following an unreasonably high level of disruption;

to enable disruptive pupils to be taken to a place where education can be continued in a managed environment; and

to allow the pupil to regain calm in a safe space.

9 The school's arrangements for removal from the classroom are:-

Level 1: Pupil will sit just outside the classroom. With the classroom door open, they will be in view of the class teacher and be able to hear/see the learning going on. They will stay there for no longer than 10 minutes.

To be used when it is judged a short regulation break might be enough for the pupil to settle; this after their behaviour became disruptive and/or they became dysregulated.

Alternative to this would be a regulation break in either the calming room or the alerting room if the pupil was more seriously dysregulated. In this instance they would need to be supervised.

Level 2: Pupil will be sent to their partner class with work. They will stay there until the end of the current session.

To be used when the pupil's behaviour has been more seriously disruptive and/or more persistently disruptive.

The class teacher will inform parents that this action has had to be taken.

Level 3: Pupils sent to the HT/DHT/SENCO to complete work.

This would count as 'persistent disruption' on the Red Behaviours and a letter would be sent home.

10 It will be the responsibility of the headteacher to maintain overall strategic oversight of the school's arrangements for any removals.

11 The school will collect, monitor and analyse the data on the removal of pupils from the classroom in order to interrogate its use and effectiveness.

12 When dealing with the removal of a pupil from the classroom each case will be dealt with on its own individual facts and circumstances. The headteacher and teachers will:

12.1 consider whether any assessment of underlying factors of disruptive behaviour is needed;

12.2 inform parents of the removal from the classroom on the same day;

12.3 facilitate reflection by the pupil on the behaviour that led to their removal from the classroom and what they can do to improve and avoid such behaviour in the future;

- 12.4 ensure that pupils are never locked in the room of their removal except in limited exceptional situations.
- 12.5 if a pupil has a social worker, including if they have a Child in Need plan, a Child Protection plan or are looked-after, notify their social worker. If the pupil is looked after, ensure their Personal Education Plan is appropriately reviewed and amended and notify their Virtual School Head.

Appendix 3 Rewards and sanctions

13 Introduction

- 13.1 Examples of the rewards and sanctions the school ordinarily uses are set out in the paragraphs below. These are not, however, exhaustive lists, and other rewards and sanctions may be used insofar as they comply with good education practice, and promote good behaviour and compliance with the School's Policies on behaviour.
- 13.2 Where particular types of good behaviour or misbehaviour are expressly referred to in this policy, these are not to be taken as an exhaustive list of all types of good behaviour or misbehaviour for which rewards can be given, and sanctions imposed.
- 13.3 Where a particular reward or sanction is identified as the usual response to a specific type of good behaviour or misbehaviour, this will not prevent a different reward being given, or a different sanction imposed, where it is appropriate to do so.

14 Rewards

- 14.1 We do not have tangible, specific extrinsic rewards. We believe we should be striving instead for pupils to see the intrinsic value in themselves and in what they learn. We focus upon activities that will help pupils reach for intrinsic value through the celebration of learning and self-reflection and encouraging autonomy. Where we do celebrate, we focus on describing the behaviour; we are careful not to make comparisons; we try not to promise the celebration ahead of time- instead we aim for the element of surprise; we aim to celebrate everyone; we try to ensure the reward is 'appropriate and proportional' . We will look to communicate with home when pupils and their teachers feel there is something significant to share/celebrate.

As far as possible we look to maintain positive thoughts, positive dialogue and give positive feedback. We never talk about or think about children in a way that puts a ceiling on our aspirations for them or their life chances. We talk about the benefits of learning generally.

Examples of rewards when pupils demonstrate one of the core attitudes. This is not an exhaustive list.

Core attitudes	Reward
Have Compassion Be Curious Always Persevere Try Forgiveness Take Responsibility Be Courageous Feel Grateful Show Humility Look for Friendship Challenge Yourself Have Faith	Positive verbal praise Text home carefully explaining how demonstrated Postcards sent home describing the behaviour Phone call home to share – by adult or child Adult carefully describes to pupil how demonstrated Pupil given extra responsibility eg peer mediator

Don't Compare	<p>Pupil given extra privilege eg going at the front of the line</p> <p>Pupil sent around school / to HT with a piece of work</p> <p>Pupil sent around school with message describing their behaviour</p> <p>Learning celebrated on Tapestry</p> <p>Learning celebrated on the Newsletter</p>
---------------	---

Praise is given freely and constantly:-

<p>Growth mindset phrasing which simply offers feedback:</p>
<p>'You have used descriptive adjectives. Your writing paints a really clear picture of the scene for me. I feel like I'm actually there.'</p> <p>'You seem to have developed a real interest in non fiction books.'</p> <p>'You have worked out how to get the ball rolling fast enough so it reaches the bucket.'</p> <p>'You've given me a lot to think about –I hadn't thought of it that way before.'</p> <p>'Hmm that's interesting- I wonder what else you could find out.'</p>
<p>Growth mindset phrasing for praising pupils:</p>
<p>'You really studied for your test and your improvement shows it. You read the material over several times, you outlined it and you tested yourself on it. It really worked.'</p> <p>'I like the way you tried all kinds of strategies on that maths problem until you finally got it. You thought of a lot of different ways to do it and found the one that worked.'</p> <p>'I like that you have taken on a challenging investigation in science. It's going to take a lot of cooperation, thinking and measuring. You are going to learn so much.'</p> <p>'I know you used to find school easy and you used to feel like the smart kid all the time. But the truth is that you weren't always using your brain to its fullest. I'm really excited to see you stretching yourself now and working to learn things you find hard.'</p> <p>'That task was so long and involved. I really admire the way you concentrated and finished it.'</p> <p>'That picture of yours has so many beautiful colours. Tell me about it.'</p> <p>'You put so much thought into this. I feel like I'm seeing the book in a whole new light.'</p> <p>'The passion you put into your singing gives me a real feeling of joy. How do you feel when you're singing?'</p> <p>'It's great that you're finding that tricky- it means you are learning.'. 'I'm impressed with the way you persevered when you were mediating.'</p> <p>'OK, so how could you make your den big enough for the whole group.'</p> <p>'This presentation tells me you have carried out the work thoroughly.'</p> <p>'I like the way you have laid out your reading journal- you must be very proud of it.'</p> <p>'You have been very thorough (as a play leader) preparing for today's</p>

activities.’

‘I really like the contributions you have made to this morning’s discussion- they showed you empathised with the character.

‘I can see by the way you are sitting that you are listening well to this assembly.’ ‘

It’s great to see you taking part in the play-leading.’

Growth mindset phrasing for encouraging pupils:

‘I like the effort you are putting in- keep persevering with your talk partner and you could well gain a better understanding.’

‘We all have different learning curves. This may take you a little longer than some just as they probably took longer to master the hockey dribbling yesterday- but you will get there if you keep persevering like this.’

‘Everyone learns in a different way. We will find your way in if we keep looking.’

16 Sanctions

- 16.1 When discussing behaviour with pupils, staff will look to reference the core attitudes of:- Have Compassion, Be Curious, Always Persevere , Try Forgiveness, Take Responsibility, Be Courageous, Show Humility, Look for Friendship, Challenge Yourself, Have Faith, Don’t Compare.

Any sanction or consequence should address and relate to the behaviour, not be made personal to the child. All stakeholders should be encouraged to foster the belief that there are no ‘bad’ pupils, just ‘poor’ choices. It is important that sanctions are in proportion to the offence and behaviours are reprimanded in private. Preferably sanctions should be delivered on the same day so that every day is a fresh day and the value of forgiveness is shown.

Amber behaviours will be dealt with by the class teacher/ staff generally but could then be referred onto to SLT/Deputy/Head if necessary. Adults will talk to children about these behaviours in a consistent manner (see language to be used in Language appendices) demonstrating a consistent preoccupation with the best interests of the child(ren) and learning generally- see language appendices

Teachers will use their judgement regarding whether a sanction is necessary and what sanction to give. Their decision will be based on their relationship with that child; on their understanding of that child’s needs, especially their emotional needs.

Amber behaviours	Examples of possible sanctions
<ul style="list-style-type: none">- Running inside the school building- Speaking unkindly to others- Not showing respect to the person talking to you- Not being completely honest- Not listening to what others say- Not following instructions- Not looking after school equipment- Being unkind to others- Not keeping hands and feet to yourself- Not putting effort into your learning	<ul style="list-style-type: none">-supervised time out from class to reflect on what has happened.-sitting in class removal space-privileges removed-kept in at playtime e.g. if they have not engaged with their learning or completed work.-sent with work to a parallel class for time out eg if behaviour disrupts the learning; if child refuses to co-operate with an adult.

- Distracting yourself and others from learning	-sent to the back of the line -brought to the front of the carpet/ assembly hall
---	---

Red behaviours will be passed onto to the Deputy/Head teacher/SENCO straight away. All of these will be logged on CPOMS and on the Pupil Wellbeing Log

Red behaviours include:-

physical violence and / or abuse (which may include but is not limited to hitting, kicking, shaking, biting and hair pulling

physical or emotional abuse or harassment (to include behaviour that may be categorised as "banter", "just having a laugh", "part of growing up" or "boys being boys");

behaviour which may constitute a criminal offence, such as:

- (a) possession or use of knives or other weapons;
- (b) vandalism, defacement and / or destruction of school property;

persistent breaches of discipline or attitudes or behaviour which are inconsistent with the School's ethos;

actual or attempted theft, intimidation, cyber-based bullying or prejudice based bullying, discriminatory based bullying or other potentially criminal offences;

behaviour in contravention of the School's policies on the acceptable use of technologies or online safety;

activities involving harassment, abuse or humiliation used as a way of initiating a person into a group);

sexual violence, sexual harassment and other harmful / inappropriate sexual behaviour;

sharing of indecent images and / or videos (including digitally manipulated or AI-generated images);

other misconduct which affects the welfare of a member or members of the school's community or which brings the school into disrepute (single or repeated episodes) on or off the school's premises;

Rudeness and refusal to co-operate with a reasonable request

Persistent disruption of teaching and learning/ persistent display of one or more of the amber behaviours.

The HT/DHT/SENCO will talk to children about these behaviours in a consistent manner (see language to be used in Language appendices). They will use their judgement regarding whether a sanction is necessary and what sanctions to give. The emphasis will be on 'thoroughness', as in red behaviours will be seen to be taken seriously and that a high level of response/ support is necessary to match the seriousness of the behaviour

exhibited.

The response could simply be in the form of the sanctions/ support – which will be communicated to parents in writing. The response could include the pupil taking on some appropriate responsibility or community service to help them learn from their experience and or give back to the community and/or a task that helps them think through their actions carefully and/or be given some form of support and/or a sanction appropriate to the behaviour.

If and when behaviours have happened more regularly or when a particular incident is deemed to have been especially serious, then more structured plans may be generated. If the pupil is SEND this could be in the form of risk assessments, managed timetables or MyPlans. For others an Individual Behaviour Plan may be issued in order to monitor and support improvements in behaviour. Pastoral Support Plans (PSPs) will be created for those at risk of exclusion.

Alternative arrangements for sanctions can be considered on a case-by-case basis for any pupil where the school believes an alternative arrangement would be more effective for that particular pupil, based on their knowledge of that pupil's personal circumstances. We will also have regard to the impact on consistency and perceived fairness overall when considering alternative arrangements.

We will consider any special circumstances relevant to its imposition including: the pupil's age; any special educational needs or disability they may have; and any religious requirements affecting them.

Despite the SLT's key role in deciding sanctions/ support, it will be the class teacher who will keep a record of consequences / support to be delivered and track when the response or plan has run its course.

We will look to be consistent and fair in the language we use when managing behaviour.

Examples of possible phrasing to be used by adults in response to attitudes to learning in the classroom:-

Reminders:

Remember at this school we actively listen to each other....we do not talk over each other

We try to make good choices in this class...

I can see you are..... (emotion coaching - identifying the emotion of the child)

I am feeling.....because you haven't..... (adult identifying their emotion to the child)

We take pride in what we do

We must all try to persevere... it feels great when you get there

It's important we all try to participate...we need to make sure our behaviour doesn't get in the way of someone else's learning.'

I need you to show me you are challenging yourself/ taking responsibility for your learning

SHELL everybody- thank you...I like the way you....

Remember in this school we keep our hands still when we are listening Thank you

Warnings:

This is the second time I have spoken to you....

We need to have a longer chat about your behaviour and plan what to do next to support you.

We will meet after the class to talk this over

Thank you for listening. It is important that we had this conversation.

Taking action:

If you choose to not show(pride in your work) then I will have to ask you to leave the room and go to the parallel class.

I am sorry- you are still not meeting the expectations for this class... you are now going to have to stay in at breaktime to do your work.

If this continues I will need to send you to the head teacher/ meet your parents to discuss a plan to support you.

Examples of language used by adults in response to attitudes to learning/others in the school and playground

Reminders:

Inside the building:

At this school we walk quietly through the building

We need to take responsibilitywalk/ work quietly so as not to disturb other learners

Single file please...thank you

It's polite and helpful to hold the door open for others... thank you for doing that

SHELL please everybody

We all try to sit still and quiet and face the front in assembly...it's a place of learning and reflection

Well done that class....look how respectfully they are leaving the hall

That belongs to us all...please look after it so others can use it too.

Outside the building

We look after living things in this school- no swinging on the branches of trees- thank you

We must be responsible and look after school property- dry stone walls must be left alone and not climbed on

This is a school and there are lots of children in one place- it's not safe to playfight- we need to act responsibly

If we want to dig we do it over near the sandpit but no on the banks- we don't want to make the banks dangerous

We look after play equipment in this school- it's there for everybody to use

We play responsibly so that no one gets hurt

We have compassion for anyone who might be feeling left out- we always set out to include them

If we have an argument we always try to resolve it.

We try to forgive people who have done something to us

Warnings:

This is the second time I have spoken to you....

We need to have a longer chat about your behaviour and plan what to do next to support you.

We will meet after the playtime to talk this over

Thank you for listening. It is important that we had this conversation.

Taking action:

Unfortunately I need to now ask you to sit on the bench...we have talked about following instructions

I am going to need to send you into school to Mr Moss....this kind of behaviour is irresponsible...

I think your class teacher needs to know about this– you must try hard to follow the school rules

17 Suspension and permanent exclusion from school

- 17.1 Only the headteacher has the power to impose a suspension or permanent exclusion from school. An "Acting Head" who has been formally appointed to this position, will also have this power.
- 17.2 Suspension and permanent exclusion from school can take the form of:
 - 17.2.1 Suspension for a fixed term (including lunch time suspensions, which each count as half a day); or
 - 17.2.2 permanent exclusion.
- 17.3 Permanent exclusion from school will only be imposed for:
 - 17.3.1 a serious breach or breaches and / or persistent breaches of this policy; and
 - 17.3.2 where allowing the pupil to remain in school would seriously harm the

education and / or welfare of the pupil and / or others (such as staff or pupils) in the school.

- 17.4 **The principles, guidance and procedure set out in the Suspension and Permanent Exclusion Guidance will be followed at all times.** This includes the statutory procedure for notifying parents, challenging the decision, and holding meetings / hearings, including the deadlines for these.
- 17.5 The headteacher may cancel (i.e. withdraw) any suspension or permanent exclusion for which a Governors' Discipline Committee meeting has not yet commenced to review that decision. This may include where additional information has been received from the parents, Virtual School Head, Social Worker or other health or educational professional after the original decision was made.
- 17.6 In all cases, the headteacher will comply with the requirements of the Suspension and Permanent Exclusion Guidance in respect of notifying / reporting the cancellation to parents and others, and offering a meeting with parents to explain the reasons for the cancellation.

Appendix 4 Investigations of incidents and alternative action

18 Investigation

- 18.1 The headteacher may investigate incidents which potentially give rise to a breach of the school's policies on behaviour and discipline or may appoint a member of staff (usually a member of the Senior Leadership Team) to carry out the investigation.
- 18.2 The investigation and any interviews or meetings which take place with pupils will be conducted fairly, in a way which is appropriate in a school environment, and without being formal or legalistic in nature.
- 18.3 The pupils involved will be interviewed as part of the investigation and given the opportunity to state their version of events.
- 18.4 Parents do **not** need to be notified in advance that interviews are taking place, and their consent is not required.
- 18.5 The pupil will be asked to make a statement, and / or a written record of the interview will be made by the interviewing member of staff depending on the pupils age and abilities. Pupils will be asked to sign and date their statement or the written record of interview, confirming it to be true and accurate if appropriate, again depending on age and ability.
- 18.6 CCTV footage, if available may be viewed and pupils' desks, lockers and / or personal belongings may be searched during an investigation. See Appendix 6 of this policy for the school's policy on searching and confiscation.
- 18.7 It may sometimes be necessary to delay or suspend an investigation where external agencies such as the police or social services are involved and have recommended this. A decision to delay or suspend an investigation will consider advice from appropriate external agencies and will be subject to periodic review. In relation to alleged sexual violence or sexual harassment, the school will have regard to KCSIE and the School's designated safeguarding lead (or a deputy) will take a leading role on decisions.
- 18.8 Where the headteacher has appointed a senior member of staff to investigate an incident which may result in formal exclusion from the school, the investigating member of staff will fully report the outcome of their investigation to the headteacher to enable an informed decision to be made.

19 Removal from the classroom / suspension pending further investigation / enquiries

- 19.1 Where the incident is serious and / or complex and it has not been possible to complete the full investigation on the day that the incident occurred or was brought to the attention of the school, the pupil may be removed from the classroom while the investigation continues. During this time the pupil is entitled to receive the equivalent of full-time education provision. The period of removal from the classroom should be considered by the headteacher when determining the final sanction.
- 19.2 Alternatively, where it is not appropriate for the pupil to remain on the school's premises while the investigation continues / enquiries are made, the pupil may be formally suspended from the School for a fixed number of days pending further investigation / enquiries. The length of the suspension will be kept to the minimum

required to complete the further investigation / enquiries.

- 19.3 Before a suspension pending further investigation / enquiries is imposed, the headteacher must be satisfied that a prima facie case has already been established in relation to the pupil's involvement in the incident to an extent that merits a suspension of at least that length.
- 19.4 A suspension pending further investigation / enquiries is still a serious disciplinary measure and the statutory procedure set out in the Suspension and Permanent Exclusion Guidance will be followed (including sending a notification letter to the parents containing all mandatory information).
- 19.5 Once the investigation / enquiries are complete, the headteacher will be able to make a final decision. This may include imposing a further suspension or permanent exclusion to run consecutively (i.e. back to back, without a break in between) with the original suspension pending further investigation / enquiries. A second suspension notification letter containing all mandatory information will be sent to the parents confirming the further suspension or permanent exclusion.

20 **Decision**

- 20.1 Once the investigation has concluded, all of the information gathered will be considered and a decision will be made as to what facts have been established to be true, to the civil standard of proof (i.e. on a balance of probabilities, or more likely than not).
- 20.2 Pupils' behaviour and discipline records will be taken into account, together with the pupils' background, and any special educational needs and / or disabilities they may have. The school will follow its special educational needs and equalities policy where this is relevant.
- 20.3 All disciplinary sanctions imposed will be a fair, reasonable and proportionate response to the misbehaviour involved, taking into account the pupil's own account, aggravating features, mitigation, background, and special educational needs and / or disabilities.
- 20.4 Disciplinary sanctions will be recorded in the pupil's behaviour and discipline record.
- 20.5 The school will usually notify the parents of disciplinary sanctions imposed and the reasons for them (parents must always be notified of removals from the classroom, suspension and permanent exclusions).

21 **Off-site directions**

- 21.1 The school has the power to direct that a pupil be educated off-site with the aim of improving their future behaviour. It must **not** be used as a disciplinary sanction or punishment for misconduct.
- 21.2 The off-site direction may be to a Pupil Referral Unit (**PRU**), and Alternative Provision School, or another school / school (or unit therein).
- 21.3 Parental consent is **not** required for an off-site direction, and pupils are expected to attend the other setting as directed. If they do not attend, their absence will be unauthorised and dealt with in the same way as it would if they failed to attend the school.
- 21.4 The arrangements for the off-site placement will be based on an understanding of

the support the pupil needs in order to improve their behaviour, as well as any SEND or health needs the pupil has. It may be full-time, or part-time in combination with attendance at the school or another setting. The expectation is that the pupil will continue to receive full-time broad and balanced education.

- 21.5 A "personalised plan for intervention" will be put in place, which sets out the objectives for the pupil's improvement and attainment, the timeframe involved, the arrangements for assessment and monitoring progress, and with a baseline of the pupil's current position against which to measure their progress.
- 21.6 The off-site placement will be regularly reviewed, and parents will be involved in the review. The purpose of the review is to ensure that the off-site placement is achieving its objectives and that the pupil is benefitting from it.
- 21.7 during the period of an off-site direction by the school to another school, the pupil must be dual registered which means that they will be registered at both the school and the school/APS to which the pupil is directed off-site.
- 21.8 The school will follow the Alternative Provision Guidance when exercising this power.

22 **Managed moves**

- 22.1 A "managed move" is used to initiate a process which leads to the permanent transfer of a pupil to another mainstream school / school following a trial period. It is designed to give pupils who are **at risk of** permanent exclusion a fresh start in another school without a permanent exclusion on their educational record.
- 22.2 As it is a proposed permanent transfer to another setting, parental consent is required, and parents will be consulted when while this is being explored.
- 22.3 If a temporary move to another setting is needed with the aim of improving the pupil's behaviour, rather than as a trial period before a proposed permanent transfer to that setting, then off-site direction (as described above) must be used. An off-site direction can be made without parental consent.
- 22.4 A planned managed move will only happen when it is in the pupil's best interests.
- 22.5 During the trial period, the pupil will be dual registered at both the school and the new school / school. If the managed move breaks down during the trial period, the new school / school will terminate the trial period and delete the pupil's name from the register. The pupil will then return to their home school.
- 22.6 For this reason, a managed move will not be appropriate following a serious breach and / or persistent breaches of the behaviour policy for which permanent exclusion is deemed by the headteacher to be the only appropriate sanction, where the school would not be prepared to accept the pupil back at the school if the managed move broke down during a trial period.
- 22.7 The school will agree a fixed period for the trial period at the outset, after which the new school / school will be expected to give permission to the school for the pupil's name to be deleted from the school's roll, at which time the transfer becomes permanent.

Appendix 5 Use of reasonable force

- 23 There are circumstances when it is appropriate for staff to use reasonable force to safeguard pupils. Any use of reasonable force will be in accordance with the DfE guidance [Use of reasonable force](#) (DfE, July 2013)
- 24 Reasonable force may be used to prevent a pupil from doing or continuing to do any of the following:
- 24.1 committing a criminal offence;
 - 24.2 injuring themselves or others;
 - 24.3 causing damage to property, including their own; or
 - 24.4 engaging in any behaviour prejudicial to good order and discipline at the school or among any of its pupils, whether that behaviour occurs in a classroom or elsewhere
- 25 In these circumstances, force will be used for two main purposes: to control pupils or to restrain them. Reasonable force may be used, for example, to restrain a pupil at risk of harming themselves or another individual or to prevent a pupil leaving a classroom where allowing them to do so would risk their safety or lead to behaviour that disrupts the behaviour of others. Force is never used as a form of punishment.
- 26 In addition, reasonable force may be used to conduct a search for certain "prohibited items" (see [Appendix 6](#) below).
- 27 In these circumstances, "reasonable" means using no more force than is needed.
- 28 In deciding whether reasonable force is required, the needs and particular vulnerabilities of individual pupils will be considered and reasonable adjustments will be made for pupils with special educational needs or disabilities. The school will establish proactive and positive behaviour support strategies for pupils with particular needs, in consultation with their parents, to reduce the occurrence of challenging behaviour and the need to use reasonable force.
- 29 Where reasonable force is used by a member of staff, the headteacher must be informed of the incident and it will be recorded in writing. The parents will be informed about serious incidents involving the use of force on the day of the incident.

Appendix 6 Searching, screening and confiscation

- 30 All Academies have a general power to impose reasonable and proportionate disciplinary measures (Education and Inspections Act 2006). This enables a member of staff to confiscate, retain or dispose of a pupil's property as a disciplinary penalty where it is reasonable to do so.
- 31 The School's policy on searching and confiscation has regard to the DfE guidance [Searching, screening and confiscation: advice for schools](#) (DfE, July 2022).
- 32 **Prohibited items**
- 32.1 The following are "prohibited items" by law under section 550ZA(3) of the Education Act 1996 and Regulation 3 of the Schools (Specification and Disposal of Articles) Regulations (SI 2012 / 951):
- 32.1.1 Knives or weapons, alcohol, illegal drugs and stolen items;
 - 32.1.2 Tobacco and cigarette papers, fireworks and pornographic images;
 - 32.1.3 Any article that a member of staff reasonably suspects has been, or is likely to be used:
 - (a) to commit an offence; or
 - (b) to cause personal injury to, or damage to the property of, any person (including the pupil); and
- 32.2 In addition to the above, the school has prohibited [• or restricted the use of] the following items on the grounds that they are reasonably believed to be likely to cause harm or disruption:
- 32.2.1 mobile phones (unless locked in the school office);
 - 32.2.2 smart watches;
 - 32.2.3 tablets;
 - 32.2.4 hand-held electronic games;
 - 32.2.5 Chewing gum
 - 32.2.6 Energy drinks and bottles;
 - 32.2.7 Football, pokemon cards and any other toys;
 - 32.2.8 other electronic devices including google glass; and
 - 32.2.9 vaping devices / e-cigarettes
- Pupils must not have these items in their possession on the school's premises, or at any time when they are in the lawful charge and control of school staff (e.g. on educational visits).
- 32.3 Pupils may be searched for any item which is prohibited by the school (as set out above) with their parents agreement.
- 33 **Searching pupils**

- 33.1 Under common law, school staff have the power to search for any item if a parent agrees. The member of staff undertaking the search should ensure the parent understands the reason for the search and how it will be conducted so their agreement is informed.
- 33.2 When exercising these powers the school must consider the age and needs of the pupils being searched or screened. This includes the individual needs or learning difficulties of pupils with Special Educational Needs (**SEN**) and making reasonable adjustments that may be required where a pupil has a disability.
- 33.3 If a parent has given permission to search, but the pupil refuses to co-operate with a search for an item prohibited by law, the member of staff should assess whether it is appropriate to use such force as is reasonable to conduct the search. Force will never be used to search for items that the school has prohibited, as set out in **32.3** above.
- 33.4 The decision to use reasonable force should be made on a case-by-case basis. Consideration will be given as to whether conducting the search will prevent the pupil harming themselves or others, damaging property or causing disorder.
- 33.5 Where a pupil is not willing to co-operate with a search and is not deemed to have sufficient maturity or understanding of the situation, then a parent's co-operation will be sought.
- 33.6 If a pupil refuses to co-operate with a search for items that are **not** items prohibited by law as listed in section **32.1** above, disciplinary action may be taken in accordance with this policy.
- 33.7 Where a search is considered necessary, but does not need to be carried out urgently, the advice of the headteacher will be sought. During this time the pupil should be supervised and kept away from other pupils.
- 33.8 Searches will be carried out on the school premises or, if elsewhere, where the member of staff has lawful control or charge of the pupil, for example on an educational visit or in training settings².
- 33.9 If it is believed that a pupil has a prohibited item, it may be appropriate for a member of staff to carry out:
- 33.9.1 search of outer clothing; and / or
 - 33.9.2 search of the School property (e.g. pupils' lockers/drawers)
 - 33.9.3 search of personal property (e.g. bag or pencil case).
- 33.10 Where possible, staff will be the same sex as the pupil being searched and there will be a witness (also a staff member) As a limited exception to this rule, staff can carry out a search of a pupil of the opposite sex and / or without a witness present, but only where staff reasonably believe that there is a risk that serious harm will be caused to a person if a search is not carried out as a matter of urgency and in the time available it is not reasonably practicable to summon another member of staff.
- 33.11 A pupil's possessions can only be searched in the presence of the pupil and another member of staff except where there is a risk that serious harm will be caused to a

² The power to search a pupil on an educational visit only applies in England. When on a trip outside England, the law of that country should be followed.

person if the search is not conducted immediately and where it is not reasonably practicable to summon another member of staff.

- 33.12 Where the headteacher, or staff authorised by the headteacher, find anything which they have reasonable grounds for suspecting is a prohibited item, they may seize, retain and dispose of that item in accordance with this policy. The staff member should also alert the Designated Safeguarding Lead (**DSL**) or deputy and the pupil will be sanctioned in line with the school's behaviour policy to ensure consistency of approach.

34 **After a search**

- 34.1 Whether or not any items have been found as a result of any search the school will consider whether the reasons for the search or outcome give cause to suspect whether a pupil is suffering or likely to suffer harm and whether any specific support is needed.
- 34.2 Where appropriate school staff will follow the school's child protection policy and procedures and speak to the designated safeguarding lead about possible pastoral support, early help intervention or a referral to children's social care.

35 **Recording searches**

- 35.1 Any search by a member of staff for an item prohibited by law as listed in section 32.1 above, items banned by the school rules in section 32.2 above and all searches conducted by police officers will be recorded in the school's safeguarding reporting system, including whether or not an item is found. This will allow the DSL or deputy to identify possible risks and initiate a safeguarding response if required.
- 35.2 Records of the search will include:
- 35.2.1 the date, time and location of the search;
 - 35.2.2 which pupil was searched;
 - 35.2.3 who conducted the search and any other adults or pupils present;
 - 35.2.4 what was being searched for;
 - 35.2.5 the reason for searching;
 - 35.2.6 what items, if any, were found; and
 - 35.2.7 what follow-up action was taken as a consequence of the search.
- 35.3 The school will analyse any data gathered to consider whether searching falls disproportionately on any group / or groups and whether any actions should be taken to prevent this.

36 **Confiscation**

- 36.1 Under the School's general power to discipline, a member of staff may confiscate, retain or dispose of a pupil's property as a disciplinary penalty where it is reasonable to do so.
- 36.2 Confiscation of an item may take place following a lawful search, as set out above, or however the item is found if the member of staff considers it to be harmful or detrimental to school discipline.

37 Electronic devices

- 37.1 The school has adopted a policy to prohibit pupils using mobile electronic devices during the school day. **Mobile electronic devices** include, but are not limited to, mobile phones, smartphones or other smart technology, tablets, laptops, MP3 players and any wearable technology that has the ability to send and / or receive notifications or messages via mobile phone networks, or the ability to record audio and / or video. Further details about the school's policy can be found in the Acceptable use policy for pupils.
- 37.2 An electronic device such as a mobile phone or a tablet computer may be confiscated in appropriate circumstances in accordance with this policy. If there is good reason to suspect that the device has been, or could be used to cause harm, to disrupt teaching or breach the school's policies on behaviour, any data or files on the device may be searched and, where appropriate, data or files may be erased before the device is returned to its owner. Any search of an electronic device should be conducted in the presence of a member of the IT staff.
- 37.3 Any data or files will only be erased, if there is good reason to suspect that the data or files have been, or could be used to cause harm, to disrupt teaching or breach the school's policies on behaviour.
- 37.4 Subject to the requirements set out in KCSIE. If inappropriate material is found on an electronic device, the member of staff may delete the material, retain it as evidence of a breach of School discipline or criminal offence or hand it over to the police if the material is suspected to be evidence relevant to an offence.
- 37.5 Staff should consider the appropriate safeguarding response if they find images, data or files on an electronic device that they reasonably suspect will put a person at risk.
- 37.6 Staff should not view or forward illegal images of a child. When viewing an image is unavoidable staff should follow the school's policy on sharing nudes and semi-nudes images or videos as set out in the Safeguarding and child protection policy.
- 37.7 The school will comply with data protection law in relation to any search of an electronic device following guidance from the proprietors data protection officer.³

38 Disposal of confiscated items

- 38.1 **Stolen items:** Stolen items will usually be delivered to the police as soon as possible. However, if, in the opinion of the headteacher or authorised member of staff, there is good reason to do so, stolen items may be returned to the owner without the
- 38.2 **Article used to commit an offence or to cause personal injury or damage to property:** Such articles may, at the discretion of the headteacher or authorised member of staff taking all the circumstances into account, be delivered to the police, returned to the owner, retained or disposed of. In taking into account all relevant circumstances the member of staff should consider: whether it is safe to dispose of the item; and whether and when it is safe to return the item.
- 38.3 **Weapons or items which are evidence of an offence:** Such items will be passed to the police as soon as possible.
- 38.4 **An item prohibited by the School:** Such items may, at the discretion of the

headteacher or authorised member of staff taking all the circumstances into account, be returned to its owner, retained or disposed of. In taking into account all relevant circumstances, the member of staff should consider: the value of the item; whether it is appropriate to return the item to the pupil or parent; and whether the item is likely to disrupt learning or the calm, safe and supportive environment of the school.

- 38.5 Where staff confiscate a mobile electronic device that has been used to disrupt teaching, the device will be kept safely until the end of the school day when it can be claimed by its owner, unless the headteacher considers it necessary to retain the device for evidence in disciplinary proceedings in accordance with 10.13 below. If a pupil persists in using a mobile phone in breach of the restriction, the electronic device will be confiscated and must be collected by a Parent.
- 38.6 **Electronic devices:** If it is found that a mobile phone, laptop or tablet computer or any other electronic device has been used to cause harm, disrupt teaching or breach the school's policies on behaviour, including carrying out cyberbullying, the device will be confiscated and may be used as evidence in disciplinary proceedings. Once the proceedings have been concluded the device must be collected by a parent and the pupil may be prohibited from bringing such a device onto school premises or on educational visits. In serious cases, the device may be handed to the police for investigation.

39 **Communication with Parents**

- 39.1 There is no legal requirement for the school to inform parents before a search for prohibited items takes place or to seek their consent to search their child but will always make every effort to do so.
- 39.2 Parents should always be informed of any search for a "prohibited item" listed above that has taken place and the outcome of the search as soon as practicable. A member of staff should inform parents of what, if anything, has been confiscated and the resulting action the school has taken, including any sanctions applied.
- 39.3 In some circumstances it might also be necessary to inform parents of a search for an item banned by the school policy.
- 39.4 A record will be kept of all searches carried out, in accordance with paragraph 35 above, which can be inspected by the Parents of the pupil(s) involved subject to any restrictions under the Data Protection Act 2018.
- 39.5 Complaints about searching or confiscation will be dealt with through the school's published Complaints policy and procedures.
- 39.6 The school will take reasonable care of any items confiscated from pupils. However, unless negligent or guilty of some other wrongdoing causing injury, loss or damage, the school does not accept responsibility for loss or damage to property.
